Quilts for Kids Donations

Thank you for choosing to make a quilt for Quilts for Kids, Inc.! The impact you will have on a child will be more than you'll ever know. In the end, your heart will reap joy like none other. Please take note of guidelines that the Quilts for Kids, Inc. offers for making your quilt.

- Quilts will be given to children ages birth through 22 years old.
- Acceptable fabric: new 100% cotton or HIGH QUALITY flannel.
- Please choose coordinating fabric for the backing. Make the back as beautiful as the front. These children deserve a beautiful quilt!
- Acceptable batting: Cotton LOW LOFT 1/8" or 1/4".
- Use machine quilting, covering the entire quilt including borders. Quilting should be about every 2" or so. (We want to ensure the quilts will last through many washings.)
- Please wash your quilt prior to mailing it in.
- Have fun while making this very special quilt!

Ship your quilt with the form below to:
